Other Fund Raising Options:

Glazed Dozen Certificates: These are priced the same as original glazed dozens; you sell the coupons for \$5 , and they come in for their free dozen.

Krispy Kreme Punch Cards: These are \$3 each (for 20 or more cards) and they can be resold for \$10 or \$12. The customer can buy any dozen and get a dozen glazed for free – then we punch the card. The card is good for 10 punches.

Both Certificates and Punch Cards are redeemable at any Krispy Kreme store and have long expiration dates on them.
